## Table of Contents

### I. INDICATORS

1. RPDB-based population denominators: 2016 .....	3
2. Census-based population denominators: 2016, 2011 (Archived) .....	3
3. Socio-demographic: 2016, 2011 .....	4
• Income, 2016	
• Population in Private Households: Living Alone and Activities of Daily Living, 2016	
• Visible Minority, Mobility Status, Immigrant Status, Employment, Housing Suitability, Education, 2016	
• Population — Language Spoken Most Often at Home, 2016	
• Population and Age, Living Alone, Family Composition, Language, 2011 (Archived)	
• Lone-Parent Families	
4. Ontario Marginalization Index (ON-Marg): 2016, 2011, 2006 .....	5
• Residential instability	
• Material deprivation	
• Dependency	
• Ethnic concentration	
5. Primary Care: .....	5
• Enrolment and Continuity of Care 2011/12 to 2012/13	
• Inter-Professional Team Care 2016	
6. Emergency Department (ED) Care: 2015/17, 2014/15 (Archived) .....	6
• All Emergency Department (ED) visits	
• ED visits by High Urgency (HU)	
• ED visits by Low Urgency (LU)	
• Mental Health and Addiction-related ED visits	
• Mental Health ED visits that are Non-Addiction-related	
• Mental Health ED visits that are Addiction-related	
7. Prevention: 2013/15 .....	7
• Mammograms	
• Pap smears	
• Any Colorectal Cancer Screening	
• Colonoscopy	
• Fecal Occult Blood Testing	

8. Hospital Admissions: 2015/17, 2014/16 (Archived) .....	8
• All Hospital Admissions	
• Mental Health and Addiction-related Hospital Admissions	
• Mental Health Hospital Admissions	
• Addiction-related Hospital Admissions	
• Ambulatory Care Sensitive Conditions (ACSC) Hospitalizations	
• Medical Hospital Admissions	
• Surgical Hospital Admissions	
• Prenatal, Delivery and Postnatal Conditions	
• Alternate Level of Care (ALC) Days	
9. Adult Health and Disease: 2016/17, 2014/15 (Archived) .....	8
• Diabetes	
• Asthma	
• High Blood Pressure	
• Mental Health and Addiction-related Visits	
• Chronic Obstructive Pulmonary Disease	
• 2+ Chronic Conditions	
• 4+ Chronic Conditions	
10. Children and Youth .....	9
• Asthma 2014/15	
• Mental Health and Addiction-related ED visits 2012/15	
• Injuries (All Admissions and ED visits) 2014/15 to 2015/16	
11. Mothers and Babies: 2012/13 to 2014/15 .....	10
• Mothers and Babies	
• 18-Month Well-Baby Visits	
12. Injuries: 2014/15 to 2015/16 .....	11
• All Admissions and Emergency Department (ED) visits	
13. Palliative Care: 2014/15 to 2015/16 .....	11
• Emergency Department (ED) visits within 2 weeks before death	
14. Sexual Health: 2013/16 .....	11
• Chlamydia cases	
• Gonorrhea cases

## INDICATORS

### **RPDB-based population denominators, 2016:**

#### 2016 RPDB-based population denominators:

Total Population counts: Male, Female, Total

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods

- 140 Toronto Central and City of Toronto Neighbourhoods (LHIN 7)
- 104 Neighbourhoods in Central LHIN (LHIN 8)

-76 Ontario Sub-Regions:

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

### **2016, 2011 Census-based population denominators:**

#### 2016 Census-based population denominators:

Total Population counts: Male, Female, Total

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods

- 140 Toronto Central and City of Toronto Neighbourhoods (LHIN 7)
- 104 Neighbourhoods in Central LHIN (LHIN 8)

-76 Ontario Sub-Regions:

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

#### 2011 Census-based population denominators (Archived):

Total Population counts: Male, Female, Total

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods

- 140 Toronto Neighbourhoods (LHIN 7)
- 105 Neighbourhoods in Central LHIN (LHIN 8)

-Ontario Sub-Regions:

- 5 Toronto Central LHIN (LHIN 7)
- 6 Central LHIN (LHIN 8)

-14 Ontario Local Health Integration Networks (LHINs)

-82 Ontario Health Links (archived)

- Ontario Sub-LHINs (archived):
  - 5 Toronto Central LHIN (LHIN 7)
  - 6 Central LHIN (LHIN 8)

## **Socio-demographic: 2016, 2011 (Archived)**

### Socio-demographic: 2016

Total Population - Registered Persons Database (RPDB) 2016 population estimates

Levels of geography:

- City of Toronto
- Ontario Neighbourhoods
  - 140 Toronto Central and City of Toronto Neighbourhoods (LHIN 7)
  - 104 Neighbourhoods in Central LHIN (LHIN 8)
- 76 Ontario Sub-Regions:
- 14 Ontario Local Health Integration Networks (LHINs)
- Province of Ontario

### Socio-demographic: 2011 (Archived)

Levels of geography:

- City of Toronto
- Ontario Neighbourhoods
  - 140 Toronto Neighbourhoods (LHIN 7)
  - 105 Neighbourhoods in Central LHIN (LHIN 8)
- 14 Ontario Local Health Integration Networks (LHINs)
- Province of Ontario
- Ontario Health Links (archived)
  - 9 Health Link (HL) in Toronto Central LHIN (LHIN 7)

### Demographic Composition

Total Population

Percent population change 2006-2011

Median Age of the population

% 19 and under (Population Aged 19 And Under)

% Seniors (Population aged 65 and over)

% Living alone (Population Living Alone)

% Seniors (Population aged 65 and over) living alone

Population Aged 65 And Older:

Percent of Total Population and Proportion Living Alone, Quantile-Based Map

### Household Characteristics (Family Composition)

Number of census families in private household

Number of census families in private household with children

Lone parent families in private households

Male-headed lone parent families in private households

Female-headed lone parent families in private households

Average number of children at home per census family in private households:

children aged 0-5, 6-14, 15-17, 18-24, 25+

### Language

Population Without Knowledge of Official Languages

Toronto Neighbourhood only:

Top 3 Home Languages for Non-English Speaking Households

Health Links in LHIN 7 only:

Top 10 Home Languages for Non-English Speaking Households

## **Ontario Marginalization Index (ON-Marg): 2016, 2011, 2006**

Levels of geography:

-Ontario Neighbourhoods

- 140 Toronto Central and City of Toronto Neighbourhoods (LHIN 7)

Ontario Marginalization Index (ON-Marg)

- Residential instability
- Material deprivation
- Dependency
- Ethnic concentration

## **Primary Care: 2016, 2011/13**

Primary Care: 2016 Inter-Professional Team Care

Levels of geography:

-Ontario Neighbourhoods

- 140 Toronto Central and City of Toronto Neighbourhoods (LHIN 7)
- 105 Neighbourhoods in Central LHIN (LHIN 8)

-76 Ontario Sub-Regions:

-14 Ontario Local Health Integration Networks (LHINs)

Primary Care: 2011/12 to 2012/13 (April 1, 2011-March 31, 2013)

Primary Care Enrolment and Continuity: 2011/13

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods

- 140 Toronto Neighbourhoods (LHIN 7)
- 105 Neighbourhoods in Central LHIN (LHIN 8)

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

-82 Ontario Health Links (archived)

-Ontario Sub-LHINs (archived):

- 5 Toronto Central LHIN (LHIN 7)
- 6 Central LHIN (LHIN 8)

Both sexes, Ages 19+

Population Enrolled

Population Enrolled with at least 3 Visits in the previous 2 years

% Enrolled and % Low Continuity Among Total Population

Population Non-Enrolled  
Population Non-Enrolled with at least 3 Visits in the previous 2 years  
% Non-Enrolled and % Low Continuity Among Total Population

### **Emergency Department Care: 2015/17, 2014/15 (Archived)**

#### **Emergency Department Care: 2015/17 (April 1, 2015 – March 31, 2017 )**

Age groups: 0-4, 5-19, 20-44, 45-64, 65-74, 75+, All Ages 0+

Total Population - Registered Persons Database (RPDB) 2016 population estimates

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods

- 140 Toronto Central and City of Toronto Neighbourhoods (LHIN 7)
- 104 Neighbourhoods in Central LHIN (LHIN 8)

-76 Ontario Sub-Regions:

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

#### **Emergency Department Care: 2014/15 (Archived)**

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods

- 140 Toronto Neighbourhoods (LHIN 7)
- 105 Neighbourhoods in Central LHIN (LHIN 8)

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

-82 Ontario Health Links (archived)

-Ontario Sub-LHINs (archived):

- 5 Toronto Central LHIN (LHIN 7)
- 6 Central LHIN (LHIN 8)

Age groups: 0-4, 5-19, 20-44, 45-64, 65-74, 75+, All Ages 0+

Total Population 2011

#### **All Emergency Department (ED) visits: 2014/15**

# of all ED visits

Rate of ED visits per 1,000 population

Age-Standardized rate of ED visits per 1,000 population (All Ages 0+)

Population with one or more ED visits

% of the population with one or more ED visits

Age-Standardized % of the population with one or more ED visits (All Ages 0+)

#### **Emergency Department (ED) visits by High Urgency (CTAS 1,2,3): 2014/15**

# of High Urgency visits

Rate of ED visits per 1,000 population that are High Urgency

Age-Standardized rate of ED visits per 1,000 population that are High Urgency

% of all ED visits that are High Urgency

Age-Standardized % of ED visits that are High Urgency (All Ages 0+)

## Emergency Department (ED) visits by Low Urgency (CTAS 4,5): 2014/15

# of Low Urgency visits

Rate of ED visits per 1,000 population that are Low Urgency

Age-Standardized rate of ED visits per 1,000 population that are Low Urgency

% of all ED visits that are Low Urgency

Age-Standardized % of ED visits that are Low Urgency (All Ages 0+)

## **Prevention: 2013/15**

### Cancer prevention: 2013/15

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods

- 140 Toronto Neighbourhoods (LHIN 7)
- 105 Neighbourhoods in Central LHIN (LHIN 8)

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

-82 Ontario Health Links (archived)

-Ontario Sub-LHINs (archived):

- 5 Toronto Central LHIN (LHIN 7)
- 6 Central LHIN (LHIN 8)

### Mammograms: 2013/14 to 2014/15 (April 1st, 2013 – March 31st, 2015)

(Age groups: 50-59, 60-69, Ages 50-69)

Population who had mammogram

Total eligible population using services who also had a mammogram

% having a mammogram within last 2 years

% having a mammogram within last 2 years - Age-Standardized

### Pap smears: 2012/14 to 2014/15 (April 1st, 2012 – March 31st, 2015)

(Age groups: 21-34, 35-49, 50-69, Ages 21-69)

Population who had Pap smears

Total eligible population using services

% of all women using services who also had a Pap smear

% of all women using services who also had a Pap smear, Age-Standardized

### Any Colorectal Cancer Screening: 2015

(Men and women, aged: 50-59, 60-74, Ages 50-74)

Population who had any colorectal investigation

Total eligible population using services

% screened

% screened §, Age-Standardized

### Colonoscopy: 2005/06 to 2014/15 (April 1st, 2005 – March 31st, 2015)

(Men and women, aged: 50-59, 60-74, Ages 50-74)

Population who had colonoscopy

Total eligible population using services

% screened within last 10 years

% screened within last 10 years, Age-Standardized

### Fecal Occult Blood Testing: 2013/14 to 2014/15 (April 1st, 2013 – March 31st, 2015)

(Men and women, aged: 50-59, 60-74, Ages 50-74)  
Population who had FOBT  
Total eligible population using services  
% of all population using services who were screened  
% screened within last 2 years, Age-Standardized

### **Hospital Admissions: 2015/17, 2014/16 (Archived)**

#### **Hospital Admissions: 2015/17 (April 1, 2015-March 31, 2017)**

Total Population - Registered Persons Database (RPDB) 2016 population estimates

Levels of geography:

- City of Toronto
- Ontario Neighbourhoods
  - 140 Toronto Central and City of Toronto Neighbourhoods (LHIN 7)
  - 104 Neighbourhoods in Central LHIN (LHIN 8)
- 76 Ontario Sub-Regions:
- 14 Ontario Local Health Integration Networks (LHINs)
- Province of Ontario

#### **Hospital Admissions: 2014/16 (April 1, 2014-March 31, 2016) (Archived)**

##### **Ambulatory Care Sensitive Conditions Hospital Admissions**

Total Population - 2016 Census population estimates

# of Hospitalizations for 2 years

Average annual rate of hospitalizations per 100000

Age-Standardized average annual rate of hospitalizations per 100000

Levels of geography:

- 14 Ontario Local Health Integration Networks (LHINs) and
- Province of Ontario
  - Age groups: 0-19, 20-44, 45-64, 65-74, All Ages 0-74
- 140 Toronto Central and City of Toronto Neighbourhoods (LHIN 7)
- City of Toronto
  - All Ages 0-74

### **Adult Health and Disease: 2016/17, 2014/15 (Archived)**

#### **Adult Health and Disease: 2016/17**

Total Population - Registered Persons Database (RPDB) 2016 population estimates

Levels of geography:

- City of Toronto
- Ontario Neighbourhoods
  - 140 Toronto Central and City of Toronto Neighbourhoods (LHIN 7)
  - 104 Neighbourhoods in Central LHIN (LHIN 8)
- 76 Ontario Sub-Regions:
- 14 Ontario Local Health Integration Networks (LHINs)
- Province of Ontario

## Adult Health and Disease: 2014/15 (Chronic Illness-Physician Visits) (Archived)

Diabetes (Age groups: 20-44, 45-64, 65+, Total Pop. 20+)

Asthma (Age groups: 20-44, 45-64, 65+, Total Pop. 20+)

High Blood Pressure (Age groups: 20-44, 45-64, 65+, Total Pop. 20+)

Mental Health and Addictions (Age groups: 20-44, 45-64, 65+, Total Pop. 20+)

Chronic Obstructive Pulmonary Disease [COPD] (Ages: 35-64, 65+, Total Pop. 35+)

Demographics - Total Population on April 1st, 2015

# of people with Chronic Illness

% with Chronic Illness

% with Chronic Illness, Total Population, Age-Standardized

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods:

- 140 Toronto Neighbourhoods (LHIN 7)
- 105 Neighbourhoods in Central LHIN (LHIN 8)

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

-82 Ontario Health Links (archived)

-Ontario Sub-LHINs (archived):

- 5 Toronto Central LHIN (LHIN 7)
- 6 Central LHIN (LHIN 8)

## **Children and Youth**

-Children and Youth: 2014/15 to 2015/16 (Injuries: All Admissions and Emergency Department (ED) visits)

-Children and Youth: 2012/13 to 2014/15 (among young adults) (Emergency Department (ED) visits that are Mental Health visits and Addictions)

- Children and Youth: 2014/15 (Chronic Illness-Asthma)

## **Children and Youth: 2014/15 to 2015/16 (Injuries: All Admissions and Emergency Department (ED) visits)**

Injuries (Age groups: 0-4, 5-9, 10-14, 15-24, Total Population 0-24)

Demographics - Statistics Canada, 2011 Census of Population

# of Injury

Average annual rate of Injury per 100 population

Age-Standardized average annual rate of Injury per 100, Total Population 0-24

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods:

- 140 Toronto Neighbourhoods (LHIN 7)
- 105 Neighbourhoods in Central LHIN (LHIN 8)

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

## Children and Youth: 2012/13 to 2014/15 (ED visits that are Mental Health and Addictions)

Mental Health ED visits (Total Population 16-25)

Demographics - Statistics Canada, 2011 Census of Population

# of ED visits that are Mental Health among young adults

Average annual rate of ED visits per 1,000 population that are Mental Health and Addictions visits

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods:

- 140 Toronto Neighbourhoods (LHIN 7)
- 105 Neighbourhoods in Central LHIN (LHIN 8)

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

## Children and Youth: 2014/15 (Chronic Illness-Asthma)

Asthma (Age groups: 0-15, 16-24, Total Population 0-24)

Demographics - Total Population on April 1st, 2015

# of people with Asthma

% with Asthma

% with Asthma, Total Population, Age-Standardized

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods:

- 140 Toronto Neighbourhoods (LHIN 7)
- 105 Neighbourhoods in Central LHIN (LHIN 8)

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

-82 Ontario Health Links (archived)

-Ontario Sub-LHINs (archived):

- 5 Toronto Central LHIN (LHIN 7)
- 6 Central LHIN (LHIN 8)

## **Mothers and Babies: 2012/15**

### 18-Month Well-Baby Visits: 2012/15

Demographics - Number of children 1 year of age who were registered for the Ontario Health Insurance Plan (OHIP), 2012 to 2015 Combined

-Number of children receiving the 18-Month Well-Baby Visit, 2012 to 2015 Combined

-Rate (/100) of 18-Month Well-Baby Visits, Children One Year of Age, 2012 to 2015 Combined

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods

- 140 Toronto Neighbourhoods (LHIN 7)

### Mothers and Babies: 2012/15

Demographics - Statistics Canada, 2011 Census of Population

-Total birth rate for total population, both sexes combined, All Ages 0+

- Birth rate (rate /1,000 female ages 15-49)
- Teen birth rate (rate /1,000 female ages 15-19)
- Low birth weight: % of birth with birth weights, <2500 grams
- Hospital births rates by mother's country of birth (MCOB)

Levels of geography:

- City of Toronto
- Ontario Neighbourhoods
  - 140 Toronto Neighbourhoods (LHIN 7)
  - 105 Neighbourhoods in Central LHIN (LHIN 8)
- 14 Ontario Local Health Integration Networks (LHINs)
- Province of Ontario

### **Injuries: 2014/15 to 2015/16**

#### **Injuries: All Admissions and Emergency Department (ED) visits**

Injuries (Age groups: 0-24, 25-44, 45-64, 65+, Total Population 0+)

Demographics - Statistics Canada, 2011 Census of Population

# of Injury

Average annual rate of Injury per 100 population

Age-Standardized average annual rate of Injury per 100, Total Population 0+

Levels of geography:

- City of Toronto
- Ontario Neighbourhoods:
  - 140 Toronto Neighbourhoods (LHIN 7)
  - 105 Neighbourhoods in Central LHIN (LHIN 8)
- 14 Ontario Local Health Integration Networks (LHINs)
- Province of Ontario

### **Palliative Care: 2014/15 to 2015/16**

#### **Emergency Department (ED) visits within 2 weeks before death**

Palliative Care (Total Population, All Ages 0+, Both sexes)

-Demographics: Palliative care patients (2014/15 to 2015/16), Registered Persons Database (RPDB),

-# of ED visits (2014/15 to 2015/16), within 2 weeks before death

-Rate (/100) of ED visits within 2 weeks before death

Levels of geography:

- City of Toronto
- Ontario Neighbourhoods:
  - 140 Toronto Neighbourhoods (LHIN 7)
  - 105 Neighbourhoods in Central LHIN (LHIN 8)

### **Sexual Health 2013/16**

#### **Sexual Health**

- Demographics - Denominator: Based on 2011 Census population estimates

- Chlamydia cases, • Gonorrhoea cases

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods:

- 140 Toronto Neighbourhoods (LHIN 7)

-Ontario Sub-Regions:

- 5 Toronto Central LHIN (LHIN 7)

## **II. INDICATORS SHOWN ON MAPS ONLY**

### **Primary Care: Multispecialty Physician Networks**

Central LHIN (LHIN 8) maps: 2011/12 to 2012/13

Levels of geography:

- Ontario Neighbourhoods:

- 105 Neighbourhoods in Central LHIN (LHIN 8)
