

## ALL INDICATORS

### Ontario Community Health Profiles Partnership (OCHPP)

## Table of Contents

### I. INDICATORS

1. RPDB-based population denominators: 2016 .....	3
2. Census-based population denominators: 2016, 2011 (Archived) .....	3
3. Socio-demographic: 2016, 2011 .....	4
• Income, 2016	
• Persons in Low Income — Market Basket Measure (MBM), 2016	
• Population in Private Households: Living Alone and Activities of Daily Living, 2016	
• Visible Minority, Mobility Status, Immigrant Status, Employment, Housing Suitability, Education, 2016	
• Population — Language Spoken Most Often at Home, 2016	
• Population and Age, Living Alone, Family Composition, Language, 2011 (Archived)	
• Lone-Parent Families	
4. Ontario Marginalization Index (ON-Marg): 2016, 2011, 2006 .....	5
• Residential instability	
• Material deprivation	
• Dependency	
• Ethnic concentration	
5. Primary Care: .....	5
• Enrolment and Continuity of Care 2011/12 to 2012/13	
• Inter-Professional Team Care 2016	
6. Emergency Department (ED) Care: 2015/17, 2014/15 (Archived) .....	6
• All Emergency Department (ED) visits	
• ED visits by High Urgency (HU)	
• ED visits by Low Urgency (LU)	
• Mental Health and Addiction-related ED visits	
• Mental Health ED visits that are Non-Addiction-related	
• Mental Health ED visits that are Addiction-related	
7. Prevention: 2016/18, 2013/15 .....	7
• Mammograms	
• Pap smears	
• Any Colorectal Cancer Screening	
• Colonoscopy	
• Fecal Occult Blood Testing	

8. Hospital Admissions: 2015/17, 2014/16 (Archived) .....	8
• All Hospital Admissions	
• Mental Health and Addiction-related Hospital Admissions	
• Mental Health Hospital Admissions	
• Addiction-related Hospital Admissions	
• Ambulatory Care Sensitive Conditions (ACSC) Hospitalizations	
• Medical Hospital Admissions	
• Surgical Hospital Admissions	
• Prenatal, Delivery and Postnatal Conditions	
• Alternate Level of Care (ALC) Days	
9. Adult Health and Disease: 2016/17, 2014/15 (Archived) .....	9
• Diabetes	
• Asthma	
• High Blood Pressure	
• Mental Health and Addiction-related Visits	
• Chronic Obstructive Pulmonary Disease	
• 2+ Chronic Conditions	
• 4+ Chronic Conditions (2015/16 to 2016/17)	
10. Children and Youth .....	10
• Asthma 2014/15	
• Mental Health and Addiction-related ED visits 2012/15	
• Injuries (All Admissions and ED visits) 2014/15 to 2015/16	
11. Mothers and Babies: 2012/13 to 2014/15 .....	11
• Mothers and Babies	
• 18-Month Well-Baby Visits	
12. Injuries: 2014/15 to 2015/16 .....	12
• All Admissions and Emergency Department (ED) visits	
13. Palliative Care: 2014/15 to 2015/16 .....	12
• Emergency Department (ED) visits within 2 weeks before death	
14. Sexual Health: 2013/16 .....	13
• Chlamydia cases	
• Gonorrhea cases	
15. Premature Mortality and Leading Causes of Premature Mortality .....	13
• Premature Mortality, 2013/14 to 2015/16	
• Leading Causes of Premature Mortality, 2011/12 to 2015/16

## INDICATORS

### **RPDB-based population denominators, 2016:**

#### 2016 RPDB-based population denominators:

Total Population counts: Male, Female, Total

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods

- 140 Toronto Central and City of Toronto Neighbourhoods (LHIN 7)
- 104 Neighbourhoods in Central LHIN (LHIN 8)

-76 Ontario Sub-Regions:

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

### **2016, 2011 Census-based population denominators:**

#### 2016 Census-based population denominators:

Total Population counts: Male, Female, Total

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods

- 140 Toronto Central and City of Toronto Neighbourhoods (LHIN 7)
- 104 Neighbourhoods in Central LHIN (LHIN 8)

-76 Ontario Sub-Regions:

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

#### 2011 Census-based population denominators (Archived):

Total Population counts: Male, Female, Total

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods

- 140 Toronto Neighbourhoods (LHIN 7)
- 105 Neighbourhoods in Central LHIN (LHIN 8)

-Ontario Sub-Regions:

- 5 Toronto Central LHIN (LHIN 7)
- 6 Central LHIN (LHIN 8)

-14 Ontario Local Health Integration Networks (LHINs)

-82 Ontario Health Links (archived)

-Ontario Sub-LHINs (archived):

- 5 Toronto Central LHIN (LHIN 7)
- 6 Central LHIN (LHIN 8)

## **Socio-demographic: 2016, 2011 (Archived)**

### **Socio-demographic: 2016**

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods

- 140 Toronto Central and City of Toronto Neighbourhoods (LHIN 7)
- 104 Neighbourhoods in Central LHIN (LHIN 8)

-76 Ontario Sub-Regions:

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

1. Income for Persons, Households, and Economic Families
2. Persons in Low Income — Market Basket Measure (MBM)
3. Population in Private Households: Living Alone and Activities of Daily Living
4. Visible Minority, Mobility Status, Immigrant Status, Employment, Housing Suitability, Education
5. Language Spoken Most Often at Home
6. Lone-Parent Families

### **Socio-demographic: 2011 (Archived)**

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods

- 140 Toronto Neighbourhoods (LHIN 7)
- 105 Neighbourhoods in Central LHIN (LHIN 8)

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

-Ontario Health Links (archived)

- 9 Health Link (HL) in Toronto Central LHIN (LHIN 7)

### **Demographic Composition**

Total Population

Percent population change 2006-2011

Median Age of the population

% 19 and under (Population Aged 19 And Under)

% Seniors (Population aged 65 and over)

% Living alone (Population Living Alone)

% Seniors (Population aged 65 and over) living alone

Population Aged 65 And Older:

Percent of Total Population and Proportion Living Alone, Quantile-Based Map

### **Household Characteristics (Family Composition)**

Number of census families in private household

Number of census families in private household with children

Lone parent families in private households

Male-headed lone parent families in private households

Female-headed lone parent families in private households  
Average number of children at home per census family in private households:  
children aged 0-5, 6-14, 15-17, 18-24, 25+

#### Language

Population Without Knowledge of Official Languages

Toronto Neighbourhood only:

Top 3 Home Languages for Non-English Speaking Households

Health Links in LHIN 7 only:

Top 10 Home Languages for Non-English Speaking Households

### **Ontario Marginalization Index (ON-Marg): 2016, 2011, 2006**

Levels of geography:

-Ontario Neighbourhoods

- 140 Toronto Central and City of Toronto Neighbourhoods (LHIN 7)
- 104 Neighbourhoods in Central LHIN (LHIN 8), only 2016 ON-Marg

#### Ontario Marginalization Index (ON-Marg)

- Residential instability
- Material deprivation
- Dependency
- Ethnic concentration

### **Primary Care: 2016, 2011/13**

#### Primary Care: 2016 Inter-Professional Team Care

Levels of geography:

-Ontario Neighbourhoods

- 140 Toronto Central and City of Toronto Neighbourhoods (LHIN 7)
- 105 Neighbourhoods in Central LHIN (LHIN 8)

-76 Ontario Sub-Regions:

-14 Ontario Local Health Integration Networks (LHINs)

#### Primary Care: 2011/12 to 2012/13 (April 1, 2011-March 31, 2013)

#### Primary Care Enrolment and Continuity: 2011/13

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods

- 140 Toronto Neighbourhoods (LHIN 7)
- 105 Neighbourhoods in Central LHIN (LHIN 8)

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

-82 Ontario Health Links (archived)

-Ontario Sub-LHINs (archived):

- 5 Toronto Central LHIN (LHIN 7)
- 6 Central LHIN (LHIN 8)

Both sexes, Ages 19+  
Population Enrolled  
Population Enrolled with at least 3 Visits in the previous 2 years  
% Enrolled and % Low Continuity Among Total Population  
Population Non-Enrolled  
Population Non-Enrolled with at least 3 Visits in the previous 2 years  
% Non-Enrolled and % Low Continuity Among Total Population

### **Emergency Department Care: 2015/17, 2014/15 (Archived)**

#### **Emergency Department Care: 2015/17 (April 1, 2015 – March 31, 2017 )**

Age groups: 0-4, 5-19, 20-44, 45-64, 65-74, 75+, All Ages 0+

Total Population - Registered Persons Database (RPDB) 2016 population estimates

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods

- 140 Toronto Central and City of Toronto Neighbourhoods (LHIN 7)
- 104 Neighbourhoods in Central LHIN (LHIN 8)

-76 Ontario Sub-Regions:

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

1. All Emergency Department (ED) visits
2. ED visits by High Urgency (HU)
3. ED visits by Low Urgency (LU)
4. Mental Health and Addiction-related ED visits
5. Mental Health ED visits that are Non-Addiction-related (Sub-Regions, LHINs)
6. Mental Health ED visits that are Addiction-related (Sub-Regions, LHINs)

#### **Emergency Department Care: 2014/15 (Archived)**

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods

- 140 Toronto Neighbourhoods (LHIN 7)
- 105 Neighbourhoods in Central LHIN (LHIN 8)

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

-82 Ontario Health Links (archived)

-Ontario Sub-LHINs (archived):

- 5 Toronto Central LHIN (LHIN 7)
- 6 Central LHIN (LHIN 8)

Age groups: 0-4, 5-19, 20-44, 45-64, 65-74, 75+, All Ages 0+

Total Population 2011

#### **All Emergency Department (ED) visits: 2014/15**

# of all ED visits

Rate of ED visits per 1,000 population

Age-Standardized rate of ED visits per 1,000 population (All Ages 0+)  
Population with one or more ED visits  
% of the population with one or more ED visits  
Age-Standardized % of the population with one or more ED visits (All Ages 0+)  
Emergency Department (ED) visits by High Urgency (CTAS 1,2,3): 2014/15  
# of High Urgency visits  
Rate of ED visits per 1,000 population that are High Urgency  
Age-Standardized rate of ED visits per 1,000 population that are High Urgency  
% of all ED visits that are High Urgency  
Age-Standardized % of ED visits that are High Urgency (All Ages 0+)  
Emergency Department (ED) visits by Low Urgency (CTAS 4,5): 2014/15  
# of Low Urgency visits  
Rate of ED visits per 1,000 population that are Low Urgency  
Age-Standardized rate of ED visits per 1,000 population that are Low Urgency  
% of all ED visits that are Low Urgency  
Age-Standardized % of ED visits that are Low Urgency (All Ages 0+)

### **Prevention: 2016/18, 2013/15**

#### **Cancer prevention: 2016/18**

Total Population - Registered Persons Database (RPDB) 2016/17 population estimate

Levels of geography:

- City of Toronto
- Ontario Neighbourhoods
  - 140 Toronto Neighbourhoods (LHIN 7)
  - 104 Neighbourhoods in Central LHIN (LHIN 8)
- 14 Ontario Local Health Integration Networks (LHINs)
- Province of Ontario
- 76 Ontario Sub-Regions

#### **Age groups: 2016/18**

Mammograms: Age 50-59, 60-69, 50-69

Pap smears: Age 21-34, 35-49, 50-69, 21-69

Any Colorectal Cancer Screening, Colonoscopy and FOBT: Age 50-59, 60-74, 50-74

#### **Cancer prevention: 2013/15**

Total Population - Registered Persons Database (RPDB) 2014/15 population estimate

Levels of geography:

- City of Toronto
- Ontario Neighbourhoods
  - 140 Toronto Neighbourhoods (LHIN 7)
  - 105 Neighbourhoods in Central LHIN (LHIN 8)
- 14 Ontario Local Health Integration Networks (LHINs)
- Province of Ontario
- 82 Ontario Health Links (archived)
- Ontario Sub-LHINs (archived):

- 5 Toronto Central LHIN (LHIN 7)
- 6 Central LHIN (LHIN 8)

Mammograms: 2013/14 to 2014/15 (April 1, 2013 – March 31, 2015)

(Age groups: 50-59, 60-69, Ages 50-69)

Population who had mammogram

Total eligible population using services who also had a mammogram

% having a mammogram within last 2 years

% having a mammogram within last 2 years - Age-Standardized

Pap smears: 2012/14 to 2014/15 (April 1, 2012 – March 31, 2015)

(Age groups: 21-34, 35-49, 50-69, Ages 21-69)

Population who had Pap smears

Total eligible population using services

% of all women using services who also had a Pap smear

% of all women using services who also had a Pap smear, Age-Standardized

Any Colorectal Cancer Screening: 2013/14 to 2014/15 (April 1, 2013 – March 31, 2015)

(Men and women, aged: 50-59, 60-74, Ages 50-74)

Population who had any colorectal investigation

Total eligible population using services

% screened

% screened §, Age-Standardized

Colonoscopy: 2005/06 to 2014/15 (April 1, 2005 – March 31, 2015)

(Men and women, aged: 50-59, 60-74, Ages 50-74)

Population who had colonoscopy

Total eligible population using services

% screened within last 10 years

% screened within last 10 years, Age-Standardized

Fecal Occult Blood Testing: 2013/14 to 2014/15 (April 1, 2013 – March 31, 2015)

(Men and women, aged: 50-59, 60-74, Ages 50-74)

Population who had FOBT

Total eligible population using services

% of all population using services who were screened

% screened within last 2 years, Age-Standardized

**Hospital Admissions: 2015/17, 2014/16 (Archived)**

Hospital Admissions: 2015/17 (April 1, 2015-March 31, 2017)

Total Population - Registered Persons Database (RPDB) 2016 population estimates

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods

- 140 Toronto Central and City of Toronto Neighbourhoods (LHIN 7)
- 104 Neighbourhoods in Central LHIN (LHIN 8)

-76 Ontario Sub-Regions:

## **Children and Youth**

-Children and Youth: 2014/15 to 2015/16 (Injuries: All Admissions and Emergency Department (ED) visits)

-Children and Youth: 2012/13 to 2014/15 (among young adults) (Emergency Department (ED) visits that are Mental Health visits and Addictions)

- Children and Youth: 2014/15 (Chronic Illness-Asthma)

## **Children and Youth: 2014/15 to 2015/16 (Injuries: All Admissions and Emergency Department (ED) visits)**

Injuries (Age groups: 0-4, 5-9, 10-14, 15-24, Total Population 0-24)

Demographics - Statistics Canada, 2011 Census of Population

# of Injury

Average annual rate of Injury per 100 population

Age-Standardized average annual rate of Injury per 100, Total Population 0-24

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods:

- 140 Toronto Neighbourhoods (LHIN 7)
- 105 Neighbourhoods in Central LHIN (LHIN 8)

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

## Children and Youth: 2012/13 to 2014/15 (ED visits that are Mental Health and Addictions)

Mental Health ED visits (Total Population 16-25)

Demographics - Statistics Canada, 2011 Census of Population

# of ED visits that are Mental Health among young adults

Average annual rate of ED visits per 1,000 population that are Mental Health and Addictions visits

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods:

- 140 Toronto Neighbourhoods (LHIN 7)
- 105 Neighbourhoods in Central LHIN (LHIN 8)

-14 Ontario Local Health Integration Networks (LHINs)

-Province of Ontario

## Children and Youth: 2014/15 (Chronic Illness-Asthma)

Asthma (Age groups: 0-15, 16-24, Total Population 0-24)

Demographics - Total Population on April 1st, 2015

# of people with Asthma

% with Asthma

% with Asthma, Total Population, Age-Standardized

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods:

- 140 Toronto Neighbourhoods (LHIN 7)
- 105 Neighbourhoods in Central LHIN (LHIN 8)

- 6 Central LHIN (LHIN 8)

## **Mothers and Babies: 2012/15**

### 18-Month Well-Baby Visits: 2012/15

Demographics - Number of children 1 year of age who were registered for the Ontario Health Insurance Plan (OHIP), 2012 to 2015 Combined

-Number of children receiving the 18-Month Well-Baby Visit, 2012 to 2015 Combined

-Rate (/100) of 18-Month Well-Baby Visits, Children One Year of Age, 2012 to 2015 Combined

Levels of geography:

-City of Toronto

-Ontario Neighbourhoods

- 140 Toronto Neighbourhoods (LHIN 7)

### Mothers and Babies: 2012/15

Demographics - Statistics Canada, 2011 Census of Population

- Total birth rate for total population, both sexes combined, All Ages 0+
  - Birth rate (rate /1,000 female ages 15-49)
  - Teen birth rate (rate /1,000 female ages 15-19)
  - Low birth weight: % of birth with birth weights, <2500 grams
  - Hospital births rates by mother's country of birth (MCOB)
- Levels of geography:
- City of Toronto
  - Ontario Neighbourhoods
    - 140 Toronto Neighbourhoods (LHIN 7)
    - 105 Neighbourhoods in Central LHIN (LHIN 8)
  - 14 Ontario Local Health Integration Networks (LHINs)
  - Province of Ontario

### **Injuries: 2014/15 to 2015/16**

#### **Injuries: All Admissions and Emergency Department (ED) visits**

Injuries (Age groups: 0-24, 25-44, 45-64, 65+, Total Population 0+)

Demographics - Statistics Canada, 2011 Census of Population

# of Injury

Average annual rate of Injury per 100 population

Age-Standardized average annual rate of Injury per 100, Total Population 0+

Levels of geography:

- City of Toronto
- Ontario Neighbourhoods:
  - 140 Toronto Neighbourhoods (LHIN 7)
  - 105 Neighbourhoods in Central LHIN (LHIN 8)
- 14 Ontario Local Health Integration Networks (LHINs)
- Province of Ontario

### **Palliative Care: 2014/15 to 2015/16**

#### **Emergency Department (ED) visits within 2 weeks before death**

Palliative Care (Total Population, All Ages 0+, Both sexes)

-Demographics: Palliative care patients (2014/15 to 2015/16), Registered Persons Database (RPDB),

-# of ED visits (2014/15 to 2015/16), within 2 weeks before death

-Rate (/100) of ED visits within 2 weeks before death

Levels of geography:

- City of Toronto
- Ontario Neighbourhoods:
  - 140 Toronto Neighbourhoods (LHIN 7)
  - 105 Neighbourhoods in Central LHIN (LHIN 8)

## **Sexual Health 2013/16**

### **Sexual Health**

- Demographics - Denominator: Based on 2011 Census population estimates
- Chlamydia cases,
- Gonorrhea cases

#### Levels of geography:

- City of Toronto
- Ontario Neighbourhoods:
  - 140 Toronto Neighbourhoods (LHIN 7)
- Ontario Sub-Regions:
  - 5 Toronto Central LHIN (LHIN 7)

## **Premature Mortality (2013/16) and Leading Causes of Premature Mortality (2011/16)**

### **Premature Mortality: 2013/16**

Total Population - Registered Persons Database (RPDB) 2014 population estimates

Age group: 0-74

Number of Premature Deaths Age 0-74

Age Standardized Mortality Rate

#### Levels of geography:

- City of Toronto
- Ontario Neighbourhoods
  - 140 Toronto Central and City of Toronto Neighbourhoods (LHIN 7)
  - 104 Neighbourhoods in Central LHIN (LHIN 8)
- 76 Ontario Sub-Regions:
- 14 Ontario Local Health Integration Networks (LHINs)
- Province of Ontario

### **Leading Causes of Premature Mortality: 2011/16**

Total Population - Registered Persons Database (RPDB) 2013 population estimates

Age group: 0-74, Both sexes

Premature Mortality, Age group <75, 2011-2015 (Total Count)

Top 5 Leading Causes of Premature Mortality, Name

Top 5 Leading Causes of Premature Mortality, %

#### Levels of geography:

- City of Toronto
- Ontario Neighbourhoods
  - 140 Toronto Central and City of Toronto Neighbourhoods (LHIN 7)
  - 104 Neighbourhoods in Central LHIN (LHIN 8)
- 76 Ontario Sub-Regions:
- 14 Ontario Local Health Integration Networks (LHINs)
- Province of Ontario

## **II. INDICATORS SHOWN ON MAPS ONLY**
